

# Email Marketing Strategy

## Overview

As part of Project 2, a three-email drip campaign was designed to strengthen customer relationships and encourage repeat engagement with Yarn Charms. As we have already introduced Yarn Charms in Project 1 so this campaign focuses on showcasing handmade products, and maintaining long-term customer interest through educational content, free crochet resources, and exclusive brand updates.

## Campaign Objectives

- Increase awareness of handmade crochet products.
- Encourage inquiries and custom orders.
- Build long-term customer relationships by providing ongoing value through educational content, free crochet resources, and exclusive brand updates.

## Target Audience

- Existing followers
- Previous customers
- Potential customers interested in handmade gifts
- Individuals looking for customized crochet products

## Email Sequence

| Email                                     | Purpose                                    |
|-------------------------------------------|--------------------------------------------|
| Email 1: The Story Behind Every Stitch    | Build trust and emotional connection       |
| Email 2: Discover Our Handmade Collection | Encourage custom orders and inquiries      |
| Email 3: Stay Connected with Yarn Charms  | Improve retention and community engagement |
