

Mailchimp Mock Campaign

Campaign Name

Yarn Charms – Customer Engagement Drip Campaign

Campaign Type

Email Automation (Mock)

Number of Emails

3

Audience

Existing followers, previous customers, and individuals interested in handmade crochet products.

Goal

Increase customer engagement, encourage product inquiries, and strengthen long-term relationships with the audience.

Expected Outcomes

- Higher customer engagement
- Increased custom order inquiries
- Improved brand loyalty
- Stronger customer retention

Reason for Mock Campaign:

Because of limited time, I decided to just make creatives for Email Campaign and not run it in real time. Though I did run Email Campaign for Project 1.
