

Weekly Performance Report

Reporting Period

21 June – 13 July 2026

Summary

The campaign demonstrated consistent audience engagement throughout the reporting period. Educational content remained the strongest-performing category, while reels contributed significantly to overall reach. Product-focused posts generated direct customer inquiries, supporting the campaign's objective of encouraging conversions.

Key Achievements

- Improved engagement through educational content.
- Increased interaction using story polls and questions.
- Expanded content reach with short-form video.
- Successfully repurposed content across multiple platforms.

Areas for Improvement

- Increase posting consistency.
- Expand reel production.
- Collaborate with relevant micro-influencers.
- Continue testing different CTA styles.
