

Objectives

Primary Objective

To optimize the existing Yarn Charms digital marketing campaign by implementing advanced marketing strategies that improve audience engagement, brand awareness, and overall campaign performance.

Specific Objectives

- Improve content performance through educational and interactive posts.
- Increase audience engagement using polls, questions, and community-focused content.
- Expand marketing efforts through mock Google Ads and retargeting campaigns.
- Develop a professional influencer outreach strategy.
- Repurpose existing content for LinkedIn and Reddit to increase brand visibility.
- Create an email marketing drip campaign to strengthen customer relationships.
- Analyze campaign performance using social media insights and mock analytics.
- Apply campaign improvements based on collected performance data.
- Build a professional marketing portfolio documenting all campaign activities.
